SUSTAINABLE COMMUNITY DESIGNATION

Vienna received designation in December as a Sustainable Community. This gives the town access to funding programs operated by the Department of Housing and Community Development. The Planning Commission has been working closely with Keith Lackie of the Maryland Department of Planning reviewing several options for use of the funds made available through this program. A proposal to update the façade of the town hall was presented to the Mayor and Commissioners at the March 13th meeting. New siding and a brick veneer foundation, construction of a handicap ramp, widening of door openings and installation of necessary fixtures to make the bathroom handicap accessible were discussed as part of the project. Landscaping and mulch will be added to finish off the project. Motion was passed to make this the first project with the available funds.

STREET SWEEPING

Vienna has hired D&J Sweeping to conduct quarterly sweeps of the town streets. Date of sweeps will be posted in businesses around town. If possible, please make sure any vehicles are moved off the street allowing equipment a clear and safe path to complete their work. Next sweep should be sometime in June.

Waterway Improvement Grant

A grant project through the Department of Natural Resources to expand the existing floating docks is listed in the governor's budget awaiting approval.

ELECTION

Upcoming election for the position of Mayor for the town of Vienna will be held May 8th from 3pm to 7pm. Anyone interested in filing must register with the Town Clerk by April 24th.
